

The Tibetan in me wants to solely expose myself to 'extreme' conditions as for endan vigour and a vital - ratrie centered, potent & peace bearing and having simple honesty and of individualization. To learn Tibetan reception.

The ^{ambitious} ~~boy~~ in me says no to hierarchy and yes to distinguishing the singles of the multiplicity.

~ 3/31 may the muslim in me identify signs & symbols
and thus acknowledge consent:

The reason I'm saying be

a quantum physicist & use my intuition to nurture myself where I crave oblivion!

The Soln in me says use some arbitrariness to assert boundaries & also study math

The rasta in me says that set & setting & diet of
their principle perseverance.

The "biological terrorist" in me says breathe w/o
retardation. The Chet in me says be Precise w/ excess
constipation of All and retardations.

3/3/12 Things I've taken for granted - Toilet & waste Privacy

To have my own space! To compost!

Recycling!

- my body

my walk

= my memories

consciousness
No-body not
individual deserves
group thus
oppression
treatment of
Leipzig

Vehicle may require struts...

put your car on a low salt diet
carcbody?

Wheat & Sugar, alone & separate = headache

Take it w/ a grain of salt: process it w/ your experience?

Trust your gut - your ability to digest the inorganic = O₂ environment

may the way the ^ucarboxylates ^ube organo sulfate.

May AB be one's own voice & composure

may the No-co be inspiring as to forgive &

Be
Quero!
